In case you missed it, [1]The Blog @ Homeland Security where DHS Secretary Janet Napolitano announced the new National Terrorism Advisory System, or NTAS, which will replace the color-coded Homeland Security Advisory System (HSAS). This new system will more effectively communicate information about terrorist threats by providing timely, detailed information to the public, government agencies, first responders, airports and other transportation hubs, and the private sector.

For more about the Information Sharing Environment's work and partnership with DHS, check out:
